

## About CSA Membership

Community Supported Agriculture (CSA) is a partnership between community members and farmers who agree to share in the bounty and the risks of farming. CSA members make an investment in the spring, when farm costs are high, in exchange for a weekly share of the season's harvest at a reduced price. It's like a subscription to fresh food!

Throughout the growing season CSA members come to the farm to pick up a share of what's in season. Shares generally provide 2-3 adults with fresh fruits and vegetables for a week. Members save 18-20% off retail farmstand or market prices with a CSA share and 10% with a Farmstand Dollars Card. Our CSA provides your family with healthy, fresh, certified organic produce and the opportunity to learn about where your food comes from.

## CSA Share Options

### Summer Share

Twenty weeks of freshly harvested certified organic fruits and vegetables from May 22 to October 4. Come to the farmstand with your own bags or boxes between 11am and 6pm on your pick-up day to select your share from that week's list. This self-serve share includes plenty of variety, plus some pick-your-own crops such as berries and pumpkins. We estimate a share will feed 2-3 adults and save you about 20% off retail prices. Members also receive a 10% discount on everything in the farmstand. \$500

### Pre-Packed Summer Share

We package your weekly share for you, so all you have to do is stop by between 1pm and 6pm on your pick-up day. \$575

### Workplace Summer Share

Would you like your CSA delivered to your workplace? We will be back at Dartmouth Hitchcock Medical Center on Fridays this year, and if you would like to add your workplace to our list, please let us know. Based on location, availability and a minimum of 5 shares. Refer a co-worker and save money. The cost is an additional \$5/week for packing and delivery. \$600

### Bouquet Share

If you love having fresh flowers every week, this is for you! Cut your own twenty stem bouquet once a week for eight weeks from July 13 to August 31. Makes a great gift especially for Valentine's Day and Mother's Day! \$100

### Fall Share

Ten weeks of freshly harvested greens, like arugula, lettuce, parsley, and spinach, plus fall staples like onions, garlic, squash, cabbage, potatoes, and carrots. We will also try to include frozen treats from the summer such as frozen berries. Great for one family or to split between two. Saturday pick-ups, October 12 to December 7. \$225

### CSA Farmstand Dollar Cards

Farmstand dollar cards are a great way to support the farm and shop at your convenience anytime the farmstand is open. This debit card option represents a 10% discount at the farmstand that you can use to purchase our fruits and vegetables, as well as milk, eggs, bedding plants, garden supplies, coffee, and more. There are two options: an investment of \$450 buys a \$500 card, while an investment of \$225 buys a \$250 card. You can replenish your card throughout the season. Register for your card anytime via mail or online, and your card will be ready for you in the farmstand. \$225 or \$450

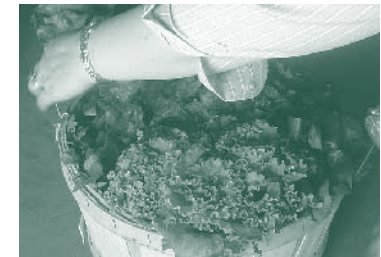

### Early Bird Specials

Early Bird Specials are our way of saying *thank you* for supporting the farm when we need to buy seeds and equipment, but have limited income. If you sign up and pay by March 1, you will receive a discount on Summer or Pre-Packed Summer Shares, Summer/Fall Share Packages, and Full Season Packages, as well as the option to pay in three installments with a 25% downpayment and the remainder in two equal payments. See the registration page for details.

### NOFA-VT Farm Share

*"We have been really pleased with both the summer and fall CSA this year. We really felt that we 'got our money's worth' and more with both shares. We really like the self serve option which allows us some choice in our CSA selections. The farm crew was always really helpful and friendly. Kudos to everyone for all their hard work and outgoing attitude!"*

## Member Perks

Being a member of Cedar Circle's CSA means that you will become an integral part of the farm: **the community that supports the agriculture.** You will **get to know the farm and our crew** over the course of the growing season. Each week our CSA e-news will let you know what veggies will be included in your share for the week and give you recipes and tips about cooking and gardening.

**Members receive a 10% discount on everything in the farmstand**, so you can also buy your eggs, milk, coffee, baked goods, flowers, bedding plants, and anything else that you might want to supplement your share.

You can **learn more** about becoming a Cedar Circle Farm CSA member and find answers to some frequently asked questions at our website: [www.CedarCircleFarm.org](http://www.CedarCircleFarm.org)

*"I love the feeling of the farm being a place that is somehow shared by so many people. It is welcoming and friendly and a lovely spot to sit and have a cup of coffee with friends. Somehow I feel like it is part of my world, which is wonderful."* -2011 CSA Member
